
**Declaration of no objection
for sent products**

Please understand that deliveries cannot be processed without a Declaration of no objection.

The operator's Declaration of no objection serves for the safety and protection of our employees, the transport company and the environment from harmful effects when handling hazardous substances, as well as protecting you from recourse claims.

When returning products, please send them back to us in a cleaned condition. Please confirm this with the completely filled out Certificate of no objection.

We do not accept returns of products that have been exposed to radioactive or microbiological contamination that have not been professionally decontaminated.

We reserve the right not to accept contaminated products and to return them to you at your expense!

The safety data sheet of the materials used, according to Regulation (EC) No. 1907/2006, as well as the Certificate of Harmlessness must be sent in advance to sales@nexopart.com
